

Where Food Comes From, Inc. to Present at the LD Micro 8th Invitational

CASTLE ROCK, Colo. – May 30, 2018 – Where Food Comes From, Inc. (WFCF) (OTCQB: WFCF), the most trusted resource for independent, third-party verification of food production practices in North America, today announced it will be presenting at the 8th Invitational hosted by LD Micro. The conference will be held at the Luxe Sunset Boulevard Hotel in Los Angeles, California.

The Where Food Comes From presentation will be made by Chairman and CEO John Saunders on Wednesday, June 6, at 10:00 a.m. Pacific Time. Saunders will also conduct a series of one-on-one meetings throughout the day. The Company's investor presentation will be accessible on the "Investors" page of the Where Food Comes From website, located at www.wherefoodcomesfrom.com

About Where Food Comes From, Inc.

Where Food Comes From, Inc. is America's trusted resource for third party verification of food production practices. The Company supports more than 15,000 farmers, ranchers, vineyards, wineries, processors, certification bodies, retailers, distributors, trade associations, consumer brands and restaurants with a wide variety of value-added services through its IMI Global, International Certification Services, Validus Verification Services, SureHarvest, A Bee Organic, Sterling Solutions and Sow Organic units. In addition, the Company's Where Food Comes From® retail and restaurant labeling program utilizes the verification of product attributes to connect consumers to the sources of the food they purchase through product labeling and web-based information sharing and education. Visit www.wherefoodcomesfrom.com for additional information.
