

Where Food Comes From, Inc. to Present at Fourth Annual Robins Equity Research Roundup

CASTLE ROCK, Colo. – September 17, 2018 – Where Food Comes From, Inc. (WFCF) (OTCQB: WFCF), the most trusted resource for independent, third-party verification of food production practices in North America, today announced it will be presenting at the Fourth Annual Robins Equity Research Roundup hosted by Catalyst Research Management Group at the Shilo Inn Airport Hotel in Portland, Oregon.

The Where Food Comes From presentation will be made by chairman and CEO John Saunders on Wednesday, September 26, at 10:00 a.m. Pacific Time. The Company's investor presentation will be accessible on the "Investors" page of the Where Food Comes From website, located at www.wherefoodcomesfrom.com

About Where Food Comes From, Inc.

Where Food Comes From, Inc. is America's trusted resource for third party verification of food production practices. The Company supports more than 15,000 farmers, ranchers, vineyards, wineries, processors, retailers, distributors, trade associations, consumer brands and restaurants with a wide variety of value-added services through its IMI Global, International Certification Services, Validus Verification Services, SureHarvest, A Bee Organic and Sterling Solutions units. In addition, the Company's Where Food Comes From® retail and restaurant labeling program utilizes the verification of product attributes to connect consumers to the sources of the food they purchase through product labeling and web-based information sharing and education. Visit www.wherefoodcomesfrom.com for additional information.
